### International Researcher IDs

ORCID: 0000-0003-4832-5659

Yoksis Researcher ID: 359900

### Biography

Dr. Batuhan Erhan Aktaş is a Sports Medicine Resident at Hacettepe University Hospitals in Ankara, Turkey. He has extensive experience treating sports-related injuries, participating in national sports events, and contributing to research and publications. He specializes in ultrasound imaging and ultrasound-guided injections. After graduating from Gazi University Medical School in 2020, he served as an Emergency Physician at Kırkağaç State Hospital, playing a crucial role during the pandemic. He has been involved as a physician in national teams' training camps and sports tournaments, supporting youth baseball and basketball teams. In his academic career, he has presented at various conferences and published articles on osteoarthritis, subacromial pain syndrome, and systemic sclerosis. Dr. Aktaş is a member of the Turkish Association of Sports Medicine and the American College of Sports Medicine. His hobbies include playing basketball and the piano.
