Biyografi

Dicle Çelebi graduated from Yeditepe University with a degree in English Language and Literature and has worked as an English instructor for nearly two decades. She is currently the Head of the Modern Languages Department at Hacettepe University, working on integrating AI into the department's education program. Her academic research outside of her profession focuses on contemporary literary theory, particularly in metamodernism and science fiction. She is currently writing her MA thesis, which analyzes William Gibson's *Sprawl Trilogy* through the lens of metamodern sensibility. Outside the classroom, she enjoys jazz dance, strength training, and spending creative, mindful time with her son.
